Internet Committee Report

The last several months have been devoted to creating our new state chapter website and we've finished the job. WWW.PANWTF.ORG actually replaced WWW.PANWTF.COM on July 25, 2007 when Joe Kuhn put a banner and link on the old web site that pointed to the new one.

As always in projects like this there are a number of loose ends that need to be "clipped" before you can pronounce the project complete, so I have created the following checklist to ensure that everything is finished properly.

New PA Chapter NWTf Website checklist

<u>Seq</u>	<u>Person</u>	<u>Item</u>	<u>Status</u>
1	Drolet	Set up main email (nwtfrep@panwtf.org)	Complete
2	Drolet	Change PA State Chapter Letterhead	Complete
3	Kuhn	Burn DVD/CD of old site	In process
4	Kuhn	Add banner/link from old site to new	Complete
5	Young	Change Turkey Talk website/email references	In process
6	Holjencin	Notify NWTf National	Complete
7	Heckman	Notify PGC	Complete
8	Heckman	Notify PFSC	Complete
9	Panaro	Discontinue hosting with Infoquest and Earthlink	In process
10	Drolet	Take over management of www.panwtf.com	In process
11	Drolet	Demo new site to Exec. Board	Scheduled for 8/3
12	Drolet	Demo new site to Board	Scheduled for 8/4

Websites are always an ongoing labor of love and I expect that we will be tuning the website and adding content for a long time.

If anyone wants to add a page to the site just send me the contents in an email. I would prefer that you put the page in a Word document since that is the easiest to convert to the web format, but I'll take a regular email if that's what you have. If you want it put somewhere special on the site, let me know in that email.

Comments and suggestions are always welcome and you can send them to me by clicking "Feedback" in the top menu and then clicking "Feedback to the PA Chapter NWTF".

While I have been working so hard on the new website, I have fallen a bit behind in updating the Board website. I'll have that caught up by the next board meeting.
