

PA STATE CHAPTER

Women in the Outdoors Program Report – January, 2010

Below is an email I received from Teresa Carroll from Edgefield. These new incentives will be taking place with our PA Women in the Outdoor Events.

Ray will go in more depth at our Board Meeting on Sunday.

- Trina

Pennsylvania is one of 11 test states where we are returning larger income splits to the local chapters. It will help increase chapter funds allowing local chapters to receive an additional 10% back from profitable outreach events, as well as to provide an incentive for more and better events.

With these test states, 20% of the event profit will also be deposited in their state Outreach Fund.

There, it will be accessible just as the Super fund is now, except that it will only be available to fund Outreach events and activities, rather than the full spectrum of expenditures covered by the Super Fund.

Regards,
Teresa Carroll
