

## **Awards Report March 2010**

Awards Committee was scheduled to meet during the Habitat meeting on Feb 14, but I was the only attendee. After the Habitat meeting, Dale, Skip, Sam and I went over the Scholarships submitted and determined the winner, Jason LeVan from Armenia Mountain Spurs chapter.

I had the nameplates created for the LMO and WCO of the year Awards for presentation at a PGC Commissioner meeting. I've brought them along for whomever is going to present them.
