

Turkey Talk Committee Report 3/4/10

- Happy to report that we had a \$90 deposit into our checking account from the first Turkey Talk ad income.
- Trina has reported that the Tribune Advertising staff has discussed revising the ad rates for Turkey Talk. The Ad staff is aggressively pursuing leads for the spring issue.
- Currently revising the list of recipients who receive additional copies of Turkey Talk. I'll be talking to several board members on Sunday to verify how many issues they need/want and completing the list for Trina and the printer.
- Just a reminder that the Spring Turkey Talk deadline is March 10th and the mail date is April 30th. We have a pretty full issue so far with a ton of coverage from the Rendezvous weekend and the National Convention.
