

We all have been busy with our 2011 banquet budgets and merchandise orders. We are working with many vendors for items and getting our orders done now is due to deadlines the vendors have for the orders. We need to have the product into Edgefield in time to start shipping out January 2011 banquets.

All staff will be heading to Edgefield the week on June 14-18 for our summer meeting.

Our 2010 banquets are still happening across the state from now through September if you can help out a local chapter in the area even if your chapter has held their banquet already please contact the chairman, we all know the committees can always use extra help and with the summer and fall banquets everyone is busy with vacations and school sports so please give them a helping hand if you can. All the banquets are listed in the nwtf.org web site under your state info.

Our Leadership Weekend will once again be in State College at the Ramada with out fun shoot and BBQ being held at the Tyrone Sportsman's club on Saturday July 31st followed by Sunday's meeting at the Ramada in State College. A mailing will be going out to all local chapter presidents soon.

Here are the latest PA membership numbers as of May 27th.
