

PFSC Report and PFSC Fall Convention

July, 31, 2010, Submitted by Don Heckman, PANWTF Delegate to PFSC

PFSC continues to reorganize their entire operations due to funding, staffing, and membership issues.

As of July 31 revisions to PFSC By-Laws, Board seats, Officers changes, and Financial reporting will be completed for the September 17-19, 2010 Fall Convention.

As of July 31 PFSC Committee member status and reporting, Membership categories and status, Office building, and Budget reviews are being reviewed and changes will be reviewed with Delegates at the PFSC Fall Convention, September 17-19, 2010.

PFSC Executive Director and Membership Coordinator have resigned thus far in 2010. One part-time office staff is still employed. Several PFSC member volunteers continue helping with building and grounds, Harrisburg political requirements, and office support. State-wide PFSC memberships are down for 2008-2009 going into 2010 by 20,000.

All PFSC legislative work on Capitol Hill, On Target publication, spring and fall conventions, county/club organizations and meetings, division meetings, state board meetings, PFSC events and programs, and Legislative Shoot continue to be scheduled and completed for 2010.

Delegate reports on PFSC financial status, membership categories, board representation, local and state meetings, conventions, and delegate voting sessions will continue.

PFSC *On Target*, July/August 2010 issue, has been mailed.

PA Chapter NWTF 2010 dues have been paid and PANWTF Delegate is seated at various board meetings, committee meetings, and convention.

Next PFSC Board Meeting is September 17, 2010 at Fall Convention in the Fogelsville, Pa, area at the Holiday Inn.

I would like a PANWTF Board member acting as Alternate Delegate to attend the Fall Convention and represent PA Chapter NWTF as I will not be attending the PFSC Fall Convention.
