

NWTF Convention

2011 NWTF Convention will be held in Nashville at the new Gaylord Opryland Hotel and Convention Center from February 17-20, 2011. The facility has undergone major renovations after the floods of this past summer and I'm sure everyone will be pleased with the new rooms, restaurants and exhibit area.

Something new to this year's convention is free admission to all members and active military personal.

The exhibit hall with over 600 booths is sold out and has a waiting list of vendors to get into the show. The hall will be open Friday thru Sunday for members to view anything and everything for hunting and the outdoor world.

Once again we will feature the Hunt Auction, Ladies Auction, Custom Call Auction and the Open Auction during the various days of the convention. The evenings will be filled with entertainment, Thursday's Welcome Party we have signer Trace Adkins; Friday night's Grand Auction will have a Beach Party theme featuring the Swing Medallions and Saturday nights Awards banquet will feature the Band Perry for the evening entertainment.

Along with the NWTF Wild Turkey Bourbon Calling Contest, morning breakfasts on Friday, Saturday and Sunday and seminars going on daily you will find something for everyone to do.

Please check out the nwtf.org web site under convention to see the complete list of activities and functions along with the registration form.

2011 PA Chapter Leadership Workshop

Once again this summer we will be holding the Leadership Workshop. The dates are Saturday July 30 with the fun trap & block shoot at the Tyrone Sportsman's Club. We also have a new food vendor who will be on site serving the meal. On Sunday August 31 we will hold the meeting at the Ramada Inn in State College. Information will be sent out to the local chapter presidents in June.
