

**Women in the Outdoors Committee Report
January 2011**

Submitted by Katrina Skrapits

To keep it sweet and short...

let's just say I've been BUSY on the local, state and national level in assisting with the Women in the Outdoors program.

Harold Luther, Cabelas event coordinator is organizing our state Chapter's Women in the Outdoors event with Jeff.

We need all your help to promote this event....it is a State Chapter event. Please distribute the flyer attached in your area!

Thanks.
