

**Internet/Website Committee Report**  
**Board of Directors Meeting**  
**March 06, 2011**

1. Finally have restored the DART schedule page. And has been updated. I have request coming in and will be updating the site each week. The request form for the DART has been corrected. You can now enter the date of your event in the proper blocks. The state info on the right hand side of the DART page has be changed to info pertaining to Pennsylvania not Washington.
2. Scott W. , Trina, Jason, Scott L. Have worked out a bundling package for advertisers, which will include a link on the new website and advertisement in Turkey Talk. We have 5 spots available on the site at this time. We will provide more detail at the meeting.
3. The cost of the web site has been paid for by the first two advertisers, so the five remaining spots will be revenue that the board can use where ever it is needed.
4. As we become more familiar with the new website, we will be able to add much more information about the State Chapter, local chapters, and members.
