

## October 2011 President Report

I did not have a report ready for the July meeting; I have included this in the October report

June 11<sup>th</sup> and 12<sup>th</sup>, 2011 The SGL 57 High Knob project was finished, this project is approx. 1 mile long and 30 feet wide, it was planted with clover, tee foil, cover of oats and buckwheat. This is the second and final year for this site, it has been completed.

June to September approved 17 Green Sheets for outreach events.

June 20<sup>th</sup>, 2011 Attended Red Rock Chapter Meeting.

July 18<sup>th</sup>, 2011 Attended Red Rock Chapter meeting.

July 31<sup>st</sup>, 2011 Attended Leadership meeting in State College.

August 15<sup>th</sup>, 2011 Attended Red Rock Chapter meeting.

September discussed the post card using out position statement waiting for October meeting to finalize.

Through out the last few months have fielded a lot of questions about the Sunday Hunting issue. Each time sticking with the premise of the transfer of power from Legislative to the Commission.
