

Internet/Homepage Committee Report  
October 2012 Board Meeting

1. Need pictures of your nwtf events and info on the success of these events. The website has been idle for some time; we need info from your chapters on your outreach events and special events to get them on the website to inspire other chapter to host like events.
2. Created an acceptance checklist, terms and conditions agreement, and a set up/tear down guide for the Jakes Takes Aim Trailer. Will be presented to the Executive Board at the October meeting for approval to present to the Board for a vote to adopt and put into action.  
In order to maintain the equipment and the trailer itself, the above documents is a must and will need to be put on the quick links under the jakes trailer link so any chapter wanting to use the trailer will have to agree to certain terms and agreements that will be examined and approved by the board. **I would like to send out a big thanks to Tom Bunty and Walt Bingaman that have help shuttle around the DART System and Jakes Takes Aim Trailer.**
3. The State Leadership page on the website has been update. Each Director is listed by Name, County they live in, address, phone number and e-mail. Please take a look and get back to me with any questions.
4. Please check over the website and if you see anything wrong, please let me know, so I can take care of it.
