**Leslie Smith**  
**NWTF PA Women in the Outdoor Coordinator**  
**January 2013**

- One event was held in November for the Pocono Mountain Chapter at the Pocono Pistol Range. Thank you to the Chapter and the Volunteers. Ladies were instructed on Handguns and Archery.
- 2013 is starting off with lots of activity. Currently, there are 14 events scheduled. There are two events that are currently pending for confirmation and dates. The goal is to add an additional 6 events to this year. I have met with several chapters over the last few months to confirm dates of events. We are also working on growing each event from last year.
- I have traveled to Chapman State Park with Kristen Giger to confirm dates. The Chapman event is off and running.
- The PA NWTF State WITO event is starting to receive registrations in the mail. We are in need of a few instructors for classes still.
- I assisted with the Veterans Day Hunt that was held in Warren, PA.
- I have begun meeting with Committees and Chapters. It is my goal to bring the local Chapters to work with the Outreach Committees for their events. I have been noticing a disconnect between the Chapters and the Outreach Committees. Bringing these two together will assist in making each event a success.
- The PGC has reached out to us about handing out information to the Youths at the NASP event. I have requested 1000 brochures for Jakes/X treme Jakes to be handed out. There will be no room for us to set up the Jakes Take Aim Trailer at this year's event. The NASP tournament has expanded shooting lanes to fill the complete arena.
- In December, traveled to Edgefield for the Winter Conference.
- Attended Turkey Hunters Care event with Lykens Valley Chapter and the Walking Purchase Chapter.
