

Promotion Committee Report—January 2013

Submitted By: Scott Wojton

--T-shirts, long sleeve shirts and sweatshirts were designed, screen printed and will be made available for sale at the Rendezvous. They look great and appear to be better quality than the shirts we had made last year. We hope they will sell as well as the shirts did last year. 80% of the Promotional Budget was spent for the shirts and it is anticipated that we will cover the expense and make a profit.

--Currently, we do not have an update on the status of the window sticker/decals. We hope to have more information soon.

--I will also have all the remaining promotional items available for sale at the Rendezvous as well. There is some pewter items left as well as a number of license plates and patches.
