

Women in the Outdoors Committee Report January 2013

Submitted by Katrina Skrapits

2013 PA State Chapter's Women in the Outdoors Event

March 15-17 at Frank T. Soles YMCA Camp in Rockwood, Somerset County.

ATTENTION BOARD MEMBERS:

Do you know of a qualified instructor for any of these classes below??
Let Leslie or myself know ASAP

FIRST AID – **Need Instructor!**
OUTDOOR SURVIVAL - **Need Instructor!**
SELF PROTECTION – **Need Instructor!**
OUTDOOR COOKING – **Pending, but may need a back up**

The WITO postcard went out in the mail the end of November with success. The mailer directs the ladies to the PANWTF website where they can download the registration form. We are receiving registrations at this time...BUT we still need to find committed instructors for the above classes. PLEASE HELP US

EVENT RAFFLE TICKETS:

Leslie and I need help selling our Event Raffle Tickets. I will have these at the board meeting. Take as many as you can sell.

REGISTRATION FLYERS:

Available this weekend. Also will be published in this issue of Turkey Talk.

DONATIONS:

Cash donations, donations for our raffles, we need a turkey call for each participant for our Turkey Hunting class, ear protection, eye protection, targets, etc.

WE NEED YOUR HELP in any way, shape or form. From circulating the flyers, selling raffle tickets, getting donations, setting up, taking down. The success of this event relies not on just Leslie and myself...this is a STATE CHAPTER OUTREACH function just like our State Banquet, Leadership Workshops, Outreach Gun Raffles, etc.

For the record, only 3 board members offered help.

Our Outreach Programs are the direction we need to go to strengthen our mission and goals. What better way is there to give back to the resource than sharing our

passion?
