

Turkey Talk Committee Report 6/2/13

The summer issue is currently in design. The proof should be out for review by 6/7/13. This issue is a 20 page issue. Have a good mix of small articles and pics of successful youths and adult members from this past spring season. Please note that the fall issue deadline is 8/16/13. Lastly, I would like to make the committee and the Board of Directors aware that due to a recent promotion at work and increase family obligations. I plan on stepping down from the board at the upcoming January meeting. I will gladly assist the Turkey Talk Committee Chairperson with the Spring 2014 issue and future issues.
