

August 2, 2008
Pennsylvania Board Meeting

Tammy Mowry
National Coordinator

I apologize for not being at this meeting, but I'm with the Muncy Creek Chapter today for their Women in the Outdoors Event.

National Women in the Outdoors Event: Learn, Laugh and Lighten Up is the theme of what promises to be one of the most exciting outdoor get-togethers we'll have.

There are about 33 different classes to choose from. The instructors will be top notch. We'll have 2 days of hands-on activities, pro staff instructors, guest speakers, music, vendors and a few auctions!

Medalist Sports Performance Apparel will be with us and will be involved in our Lumber Jack/Jill Show. Mike Sullivan who is a professional Lumber Jack will join us, as well as our own staff member, Emily Albright who was Lumber Jill in Alaska.

Laurie Lee Dovey will be with us to share her experiences as a woman in the outdoors. Laurie Lee is a highly awarded writer and photographer. She's written articles that have appeared in the Women in the Outdoors and Turkey Call magazines.

Steve Scruggs with Let's Get Wild will be a guest speaker.

Ellie Cork, the Director of Corporate Sales Promotion for Bass Pro will join us for the weekend also.

As of right now, 27 states and Canada are represented and approximately 190 participants.

Registration for the event is \$300 which covers all meals, hotel, supplies, and transportation while at the weekend.

Pre-registration is required. I've brought along registration forms if anyone is interested.

DCNR

The DCNR continues to be a big help this year with scheduling events at various state parks throughout the state. They are very eager to work with us.
