Pa NWTF Board of Directors,

I first would like to apologize for the delay in my report. Much of the information provided was not available to me until Thursday of this week.

The National Convention was down right awesome with over 43,000 walking through the exhibit hall doors. It is my understanding that over 90% of the Exhibit hall are already rented for 2010. I am sure Jon will be announcing all the awards and award winners from Pa. The biggest being #1 Net Net dollars raised in the country. Thanks to you and all your chapter members for making this possible.

Attached you will find a new tracking tool that will allow all of us to see our banquet status real-time compared to last year. To my knowledge this has not happened or been reported to you in the past. The procedure in which I have laid out is the RD's report the numbers to me weekly. I maintain the master sheet and update it weekly. The numbers are generated from our Banquet Evaluations so I would say it is about 98% accurate. When we get the Finale paperwork we will update the numbers as we go. This new tool will tell us where we really are compared to last year. A big Thanks goes out to Daubber for helping me build this spreadsheet. The bad news is the truth of the report!
