

January 11, 2009  
Pennsylvania Board Meeting

Tammy Mowry

**PA Women in the Outdoors**

The year is starting off great for events in the state. There are currently 14 events scheduled.

The state event will take place March 27-29 at Camp Soles in Somerset County once again. If anyone is willing to assist, please let me know. We have a lot of great classes and instructors, but could use some more assistance. I have some copies of the registration forms if anyone is interested.
