# Classes

**Archery:** Always wondered how the American Indians did it?

**Rifle Marksmanship:** Learn to shoot .22 rimfire rifles and the fundamentals of rifle marksmanship skills

**Handguns:** Learn the basics of handguns. Participants will learn how to safely handle and shoot handguns.

**Shotgunning:** You will become familiar with different types of shotguns, ammunition, and proper gun fitting with time on the range.

**Gorgeous Gourds:** Learn to make baskets, birdhouses, and much more out of gourds.

**CPR/First Aid:** Learn how to assist someone who is injured.

**Astronomy:** Learn about the night skies. Locating constellations, using and purchasing telescopes and binoculars, and local events will be covered.(everyone at the event will have the opportunity to visit the Wagman Observatory that night!)

**Birdhouses:** Learn how to make birdhouses for our feathery little friends!

**Wildlife Gardening:** Bring butterflies, hummingbirds, and ladybirds to your garden.

**Bee Keeping:** Learn about the advantages of keeping bees. Discover the uses of the wax such as lip balm.

**Self Defense:** Learn how to protect yourself from even the biggest attacker on those lonely, dark streets.

**Mushroom Identification:** Learn some basics on collecting edible mushrooms safely.

**Sausage Making and Smoking:** Learn how to make that expensive sausage that everybody loves and much more!

**Atl-atl:** Learn about this ancient sport of spear throwing! First timers can catch on to this easily hitting a bullseye on their targets!

**Canning:** Learn to make and preserve Amish food like apple butter.

**Vehicle Care & Maintenance:** Learn what to do when you break down on the road. Also learn how to take preventative measures so that you don't break down.

**Spinning:** Learn how to spin your own thread like the pioneer women did. Start with sheep fur and create a spool of thread.

**Meteorology:** Learn about Weather Preparedness and Severe Weather from NOAA.
