

## Classes to choose from:

**Apiary...** Beekeeping is for many a hobby, art or perhaps a profession with many different facets. This course is designed to familiarize you with the basics to help you on your way to begin your new hobby!

**Archery...** Learn about this fast growing sport. Do you want to learn backyard recreation, competitive target shooting, or maybe you want to go bow hunting? You will learn how to select equipment that fits you. There will be lots of hands-on instruction. Experience the thrill of hitting the target!

**Basic Auto Maintenance...** If you take good care of your car, it will take good care of you. A few simple lessons about your car could easily save you hundreds of dollars with this informative class.

**Blackpowder/Muzzleloading...** This class will offer hands-on activities including the shooting and care of black powder guns. Instructors will demonstrate the firing of Flintlocks, Percussion and In-Lines.

**Canoeing/Kayaking...** After you learn about the types and styles of canoes used, you may also enjoy practicing paddle stroke techniques and safety procedures on the water.

**Fishing...** Develop basic skills needed to catch fish: casting, knot tying, lure selection, fish identification, fishing locations, and equipment choice and use.

**Fly Fishing...** You will learn the basics of fly fishing techniques. The course offers information which will help you select a rod and reel, line weights, baits, and lures.

**Get Your Bearings...** Getting lost in the woods will no longer be a threat to your outdoor adventures. In this course, you will learn how to read a compass and topographic maps.

**Handgun Basics...** The instructor will provide a broad spectrum of information about the operations and fundamentals of shooting handguns. At the end of this class, you will be able to safely shoot a variety of handguns.

**Outdoor Survival Skills...** Gain the knowledge, skill, and attitude that surviving an outdoor emergency requires. This course will deal with the mental things you need to know about survival as well as the physical aspects: food, water, and shelter.

**Rifle Marksmanship...** Learn to shoot .22 rim fire rifles and the fundamentals of marksmanship skills. Come join us for fun and action on the firing range!

**Shotgunning/Trapshoot...** You will become familiar with different types of shotguns, ammunition, proper gun fit, and gun cleaning. Time will be spent at the range where you will shoot clay birds.

**Turkey Calling...** The more experience you have using calls, the better your odds are for finding and taking turkeys. At this class you'll learn about turkeys, how to hunt, how to call and which tactics produce turkeys. In no time you will be confident that you can call in a turkey!

**Wildlife Forensics CSI...** Join the PA Game Commission for a workshop that will focus on techniques used in wildlife crime solving. Determining time of death, identification of animal species, tracking forensic entomology and collecting evidence are topics that will be explored.

**Outdoor Cooking...** Cooking in the great outdoors is a big adventure for most. A good starting point is to learn a few basic outdoor cooking methods as well as types of equipment. So sit back, relax and let master outdoor chef, Mike Vaka bring out the culinary genius in you!

**Goose and Duck Hunting...** Whether your interests lie in getting the best shots with a camera or shotgun, we'll teach you how to get close to them. We will touch on camouflage ideas, calling methods, decoy layout and field positioning.
